The place, the names, the blood and. She writes: Earlier this week I wrote about how a lack of drug price regulation in the United States allows pharmaceutical companies — including EpiPen's manufacturer, Mylan — to charge exceptionally high prices for their products.

A naval arms race among Argentina, Brazil and Chile—the most powerful and wealthy countries in South America—began in the early twentieth century when the Brazilian government ordered three 'dreadnoughts', formidable battleships whose capabilities far outstripped older vessels in the world's navies. There's a lot of innovation on the surface, but the rot runs deep. Nine more Americans slaughtered by a raging madman with a gun and bad haircut. The AME Group has provided technical support and reduced cost risk since 1985 with offices in Indiana, Illinois, Ohio, Michigan, Texas, and Louisiana. Here's how to fix it.

Scott.

This time it was Charleston, but it could have been anywhere. Here we are yet again. Sarah Kliff of Vox replies to my piece from last week. Nine more innocents slaughtered because we absolutely, utterly, refuse to do anything to prevent it. Recently, my wife started to let our two-year-old son watch Sesame Street. The readable prose size is 153 kilobytes. She figured it would be a fun way to help him learn how to read so she started to record the episodes.
